

# 2018 MLA Advantage Card Retailers

## Stock Up in Muskoka!

June, 2018

At the MLA we encourage you, our members, to shop locally; invest in the community that has become your second home. When you "Stock Up in Muskoka," you support local jobs, contribute to the tax base that finances year-round services, and improve local businesses' ability to survive, diversify and grow.

Your wallet-sized Advantage Card gives you access to significant discounts and offers from the more than 100 Muskoka retailers, restaurants and service providers listed within. It's a win-win situation.

We are fortunate in Muskoka to have access to diverse and unique products and services: from locally grown produce, fine butchers, wineries and elegant restaurants to gifts, arts and crafts, and fashions from local artisans. Salons, builders, automobile, marine and landscaping companies are just a few of the talented service providers who welcome your patronage. Local businesses are eager to meet new customers, and using the card just a few times a year could more than pay for your MLA membership! And we hope the Advantage Card program will introduce you to great new retailers and services that will enhance your Muskoka experience.

Stock Up in Muskoka! Keep your card with you and use it wherever you see MLA Advantage Card signage. If you don't see it, ask. If retailers say they haven't heard of the program, please encourage them to contact the MLA office for information. Let them know that you are committed to supporting the local economy.
